TRAINING POSTERS FROM EOD UK

Description

EOD UK Ltd is pleased to be able to supply training posters for use in recognition and threat training. The posters are drawn by Mr Bob Gravett an EOD operator who has been active in the NGO and commercial demining sector since 1990. The posters are produced from Bob's hands-on work across the world.

These posters are used as reference materials by numerous agencies across the world, they are updated regularly when new threats are encountered.

The posters provide information on IED, mine and ordnance

Restrictions

EOD UK can only supply these products to official organisations, they are not available for sale to the general public.
